

**Mennonite Collegiate Institute  
Gretna, MB**

MCI (Mennonite Collegiate Institute) is a provincially accredited independent Anabaptist Christian school (Gr. 9-12) and a member of Manitoba Federation of Independent Schools & Canadian Association of Mennonite Schools. MCI emphasizes a strong academic program leading toward post-secondary studies. We excel in the performing arts and encourage broad participation in athletics. Approximately one-half of our students live on campus in our dormitory.

**MCI invites applicants for a Science/Geography High School Teacher.** This could be a full-time or 2 part-time term positions for the 2023-2024 school year with the potential of permanent status.

Areas of instruction could include a combination of **Geography, Science, and Physics, Biology and Chemistry.** The ability to contribute to co-curricular programs, including athletics or musical theatre production is an asset.

Successful candidates must hold a valid Manitoba Teachers Certificate, demonstrate a maturing Christian faith and affinity with the Confession of Faith in a Mennonite Perspective (1995).
